

Weekly Pride Check-Up from Bro. Dean:

30. Don't Listen To Ordinary People

"I have a *hard time listening to ordinary people*. I listen better to those I respect or people I am wanting to leave with a good impression. I don't honestly listen when someone else is speaking because I am usually planning what I am going to say next."

31. Interruptive

I *interrupt people* regularly. I don't let people finish what they are saying."

32. Don't Get Much Out of Teaching

"I *don't get much out of teaching*. I tend to evaluate the speaker rather than my own life. I grumble about hearing something a second time."

33. Thinking of Others During Teaching

"I *listen to teaching with other people in mind*. I constantly think of other folks who need to hear and apply this teaching and wish they were here."

34. Not Teachable (Proverbs 12:1)

"I'm not very open to input. I don't pursue correction in my life. I tend to be unteachable and slow to repent when corrected. I don't really see correction as a positive thing. I am offended when people probe the motivations of my heart or seek to adjust me."

Read with the following suggestions in mind.

1. Ask God to illuminate your mind so you can discover any pride that may exist in your life.
2. Ask God to convict you on specific points of pride.
3. Confess your pride to God and ask for His forgiveness (1 John 1:9).
4. Ask God to give you a holy hatred for pride & its fruit. Be continually on the alert.
