

From the desk of DDD:

I have been sharing thoughts about revival and our need for revival. Revival involves many things on our part. We are to seek the Lord and make preparation. But revival comes when God moves in His power.

One of the things we can do is share Christ with others. When revival comes we can be instruments by telling others and by inviting them to church.

The Billy Graham organization has conducted many surveys. Other Christian polls/surveys share the same results as Graham's: most people don't share Christ because of fear! When real revival comes to God's people, the Holy Spirit helps His people to overcome many of the fears that usually hinder.

So, I ask all of you to join me in making a personal commitment to prepare your heart for revival. Remember this prayer from Psalm 85:6, "Wilt thou not revive us again: that thy people may rejoice in thee?"

Dear Church Family,
Our children are a precious part of our congregation, and their spiritual growth begins with the love and guidance they receive each week. The Nursery and Kids Church ministries are growing, and more helping hands are needed to continue providing a safe, joyful, and faith-filled environment for our youngest members.

Volunteering in these ministries is more than childcare—it's an opportunity to plant seeds of faith, share God's love, and make a lasting impact on the next generation. Whether it's rocking a baby, leading a Bible story, or simply offering a warm smile, every act of service matters deeply.

Please prayerfully consider joining the Nursery or Kids Church team or volunteer as a sub when needed.

If you have any questions or would like to sign up to volunteer, please don't hesitate to reach out.

With gratitude and hope,
PJ Brundige
Dir. of Children's Ministries
