

## From the desk of DDD:

Easter is coming! Time to make the Resurrection front and center of our worship

I recently refreshed my thinking on the attitudes of the general public toward the Resurrection. Not only is the Resurrection of Jesus a miracle, but it is the difference in Christianity from other religions. Our God is the only one who is ALIVE! Is it any wonder we can proclaim Him as the world's only hope?

In Acts 17:32-34, Paul was preaching about the Resurrection. It is obvious in these verses that the receptivity of that crowd represents the attitude of a broad spectrum of today's culture. There were 3 distinct attitudes.

Observe:

1. The Mocking Crowd - v. 32 "and when they heard of the Resurrection of the dead some mocked"
2. The Delaying Crowd - v. 32 "others said, 'We will hear thee again on this matter?'"
3. The Believing Crowd - v. 34 "Howbeit certain men clave unto him (Paul) and believed."

The text begs the question, "What is your response to the Resurrection?"
